Cara memasang flickr ke Wordpress

❁ Lakukan Register melalui yahoo.com dan pilih flickr.

❁ Pilih daftar lalu Isi sesuaikan dengan akun yahoo sobat beserta passwordnya .

Lanjutan..

- Setelah berhasil melakukan registrasi, klik 'Upload' di sudut kanan atas.

- Lalu klik “pilih foto dan video” untuk mengupload file yang sobat ingin jadikan slide foto flickr widget nantinya.

Lanjutan..

- Setelah itu, klik “Upload” disebelah kanan atas dan tunggu sampai proses selesai.

- Setelah proses selesai, pilih pada menu dropdown “anda” dan pilih submenu “Account Anda”

Lanjutan..

- Copy alamat web flickr sobat
- “kumpulan foto” .

- Masuk ke wordpress sobat,
- lalu Pergi ke Dashboard > widget.

The screenshot shows the Flickr account settings page. The browser tabs include 'Abstract Background With...', 'Fresh Leaves and Insect B...', and 'Flickr: Acc...'. The page content includes a calendar, account upgrade options, security status (Account Anda telah di-review sebagai aman oleh staf Flickr), profile picture, display name (tyas photo's), profile bio (Ceritakan sedikit (atau banyak) tentang diri Anda...), Flickr URL (Kumpulan Foto: http://www.flickr.com/photos/seftiningtyas/), and page layout (Album + gambar kecil).

The screenshot shows the WordPress dashboard menu. The browser tabs include '(21) Twitter' and 'Vector Down...'. The address bar shows 's3fti.wordpress.com/categ...'. The search bar contains 'Kumpulan Foto: http://w...'. The menu items are: Dasbor, Baru, Komentar, Customize, Widget (highlighted), Tulisan Sembarang, Theme: Motion, and Report this content. The page title is 'Sefti tyas's Blog...' and the user is 'Following'. The category is 'Category: M...'. The background image shows a ladybug on a green leaf.

Lanjutan ..

- Drag and Drop flickr ke sidebar, kemudian paste alamat web flickr yang telah sobat copy tadi di “URL RSS Flickr” dan simpan.

The screenshot shows a web browser window with a sidebar widget titled "Flickr: Flickr Photos". The widget configuration includes the following fields and options:

- Judul:** Flickr Photos
- URL RSS Flickr:*** <http://www.flickr.com/photos/seftiningtya>
- How many photos would you like to display?** 2
- What size photos would you like to display?** Kecil

Below the configuration fields, there is a note: "* Your RSS feed can be found on your photostream on Flickr (not a photo, album, tag, or any other page). Scroll down to the bottom of the page until you see the RSS icon or the Latest link. Right click on either and copy the URL. Paste into the box above."

At the bottom of the widget, there is a note: "Leave the Flickr RSS URL blank to display [interesting](#) Flickr photos."

Buttons: Hapus | Tutup (left) and Simpan (right).

Below the widget, there is a "Teks" field.
